SUNSHINE HEALTH WORKS SCHOLARSHIP

Program must be completed in 2027

In partnership with Sunshine Health, the HC Foundation is offering the Sunshine Health Works Scholarship to support individuals pursuing careers as an EKG Technician, Clinical Medical Assistant, Patient Care Technician, Phlebotomy Technician, or Certified Nursing Assistant. The scholarship aims to provide educational opportunities in these entry-level medical fields, resulting in nationally accredited certifications and job placement assistance.

Applicants must meet the following eligibility criteria: Be a Florida resident, 18 years or older, possess a high school diploma or GED, be able to cover 10% of the current tuition rate for the selected course, express an interest in working in the healthcare field, and demonstrate financial need to cover the remaining tuition. A background check is required for clinical rotation participation.
