

Electrical Line Worker Training Program

Sponsored by

PROGRAM INFORMATION

The Electrical Line Worker Training Program is designed to provide students with the fundamental knowledge and basic skills needed when seeking a career opportunity in the electric utility industry as a line worker trainee. Students who successfully complete the four-month program are encouraged to interview with TECO for an entry-level Electrical Line Worker position. Hourly wage starts at \$26.98 and in five years can increase to \$50 per hour or more. TECO is very dedicated to the safety of its team members, and offers an excellent benefits package that includes health insurance, retirement benefits and generous time off.

The following certifications will be earned upon class completion:

- OSHA 10-Hour
- Bucket Truck Rescue
- Pole Top Rescue
- CPR & AED
- First Aid

Schedule: 3 days per week in class/lab (6 hours per session), plus online self-study (approximately 14 weeks total)

Training Location: HCC Brandon Campus

Tuition: \$6,500 (TECO scholarships available for those who qualify)

Admission Requirements:

- 18 years old or older (By start of the course)
- High school diploma/GED (By start of course)
- Pass a level 2 background check
- Pass a drug screen
- Must be able to lift 50 lbs
