## SUNSHINE HEALTH WORKS SCHOLARSHIP

Program must be completed in 2025.

In partnership with Sunshine Health, the HCC Foundation is offering the Sunshine Health Works Scholarship to support individuals pursuing careers as Patient Care Technicians, Clinical Medical Assistants, or EKG Technicians. The scholarship aims to provide educational opportunities in these entry-level medical fields, resulting in nationally accredited certifications and job placement assistance.

Applicants must meet the following eligibility criteria: be a Florida resident, 18 years or older, possess a high school diploma or GED, be able to cover 10% of the current tuition rate for the selected course, express an interest in working in the healthcare field, and demonstrate financial need to cover the remaining tuition. A background check is required for clinical rotation participation.

### HEALTHCARE APPROVED COURSE

#### CLINICAL MEDICAL ASSISTANT

This course trains students in essential outpatient care skills, including patient preparation, EKG administration, and phlebotomy.

**CMA**

#### PATIENT CARE TECHNICIAN

This course equips students with essential skills in patient care, including rehabilitation, bedside care, dialysis, phlebotomy, and EKG administration.

**PCT**

#### EKG TECHNICIAN

This course provides comprehensive training in EKG administration, heart anatomy, disease processes, and rhythm analysis.
