SUNSHINE HEALTH WORKS SCHOLARSHIP

Program must be completed in 2026

In partnership with Sunshine Health, the HCC Foundation is offering the Sunshine Health Works Scholarship to support individuals pursuing careers as Patient Care Technicians, Clinical Medical Assistants, or EKG Technicians. The scholarship aims to provide educational opportunities in these entry-level medical fields, resulting in nationally accredited certifications and job placement assistance.

Applicants must meet the following eligibility criteria: be a Florida resident, 18 years or older, possess a high school diploma or GED, be able to cover 10% of the current tuition rate for the selected course, express an interest in working in the healthcare field, and demonstrate financial need to cover the remaining tuition. A background check is required for clinical rotation participation.

APPROVED COURSE (NEW STUDENTS)

EKG/Telemetry Technician (CET)

This course provides hands-on training in EKG testing and cardiac monitoring, including heart rhythms, 12-lead EKGs, Holter monitoring, and interpretation. The 44-hour program includes BLS Healthcare Provider Certification and prepares students for the NHA EKG/Telemetry Technician exam.

APPROVED CERTIFICATION EXAMS (EXISTING STUDENTS)

CLINICAL MEDICAL ASSISTANT This course trains students in essential outpatient care skills, including patient preparation, EKG administration, and phlebotomy. CMA	PATIENT CARE TECHNICIAN This course combo course equips students with essential skills in patient care, including rehabilitation, bedside care, dialysis, phlebotomy, and EKG administration. PCT	EKG TECHNICIAN This course provides comprehensive training in EKG administration, heart anatomy, disease processes, and rhythm analysis. EKG	CERTIFIED NURSING ASSISTANT This course includes 84 hours of lecture and skills training, preparing students for the Florida CNA licensing exam and to work as a Home Health Aide. CNA
