OPEN THE DOOR TO A BETTER FUTURE

OPEN DOOR SCHOLARSHIP PROGRAM

The Open Door Scholarship Program is funded by the Florida Department of Education, is designed to support students completing short-term and technical education credentialing courses. The goal of the program is for participants to successfully attain a workforce certificate in high-demand fields. This addresses and closes the gap between the skills needed by workers in the state and the skills of the available workforce in the state.

The Open Door Scholarship Program covers 100% of the cost for the approved courses listed below. While the scholarship typically includes full tuition, a small student contribution may be required for select courses. Please review the tuition details on each class page to confirm what is covered. Scholarship funds must be used for tuition, fees, exams, books, and course materials.

Applicant must be a Florida resident for at least one year, 18 years or older, meet program requirements, and must be in good financial standing with HCC.
